What happens if We are replacing an existing contract?

Effect on Actively at Work Provision

If *You* were insured under the Prior Policy on the day before the Policy Effective Date, *You* may be covered by the Policy even if *You* fail to satisfy the *Actively at Work* requirement as stated in the *Are You eligible for this insurance?* provision. *You* will receive credit for time covered under the Prior Policy. This credit will be applied toward satisfaction of service waiting periods, *Elimination Periods* or any other periods of the same or similar provisions under the Policy.

Effect on Benefits

If *You* do not satisfy the *Actively at Work* requirement, *You* may still be eligible for benefits under the Policy as follows:

The benefits payable under the Policy will be the benefit which would have been payable under the terms of the Prior Policy if it had remained in force. The benefits payable under the Policy will be reduced by any benefits paid under the Prior Policy for the same *Disability*.

Benefits will end on the earliest of the following:

- 1) the date that benefits would terminate in accordance with the provisions of the Policy; or

CDI-8AA

LONG TERM DISABILITY BENEFITS

How do We define Disability?

Disability or *Disabled* means that *You* satisfy the Occupation Qualifier or the Earnings Qualifier as defined below.

CDI-9AA

Occupation Qualifier

Disability means that *Injury* or *Sickness* causes physical or mental impairment to such a degree of severity that *You* are:

- 1) continuously unable to perform the *Material and Substantial Duties of Your Regular Occupation*; and
- 2) not working for wages in any occupation in which *You* are or become qualified by education, training or experience.

CDI-10CB

Earnings Qualifier

You may be considered *Disabled* during and after the *Elimination Period* in any month in which You are *Gainfully Employed*, if an *Injury* or *Sickness* is causing physical or mental impairment to such a degree of severity that You are unable to earn more than 80% of *Your Monthly Earnings* in any occupation for which You are qualified by education, training or experience. On each anniversary of *Your Disability*, We will increase the *Monthly Earnings* by the lesser of the current annual percentage increase in *CPI-W*, or 10%.

You are not considered to be *Disabled* if You are able to earn more than 80% of *Your Monthly Earnings*. Salary, wages, partnership or proprietor draw, commissions, bonuses, or similar pay, and any other income You receive or are entitled to receive will be included. Sick pay and salary continuance payments will not be included. Any lump sum payment will be prorated, based on the time over which it accrued or the period for which it was paid.

CDI-13AB

Loss of Professional License or Certification

If You require a professional license or certification for *Your* occupation, loss of that professional license or certification does not in and of itself constitute *Disability* under the Occupation Qualifier or the Earnings Qualifier.

CDI-14AA

What is the Elimination Period and how is it satisfied?

The *Elimination Period* begins on the day You become *Disabled*. It is a period of continuous *Disability* which must be satisfied before You are eligible to receive benefits from Us. You must be continuously *Disabled* through *Your Elimination Period*.

If You temporarily recover and return to work, We will treat *Your Disability* as continuous if You return to work for a period of less than one-half the *Elimination Period* as shown in the *Schedule of Benefits* not to exceed 90 days. The days that You are not *Disabled* will not count toward *Your Elimination Period*.

Any increases You receive in *Monthly Earnings* during *Your* return to work period will not be taken into consideration when calculating *Your LTD Monthly Benefit*.

If You return to work for a period greater than one-half the *Elimination Period*, or 90 days, whichever is less, and become *Disabled* again, You will have to begin a new *Elimination Period*.

Can You satisfy Your Elimination Period if You are working?

You can satisfy *Your Elimination Period* if You are working, provided You meet the definition of *Disability*.

CDI-15AA

What Disability Benefit are You eligible to receive?

If You are *Disabled*, You are eligible to receive one of the following at any given time:

- 1) an *LTD Monthly Benefit*, or
- 2) a *Work Incentive Benefit*.

While You are *Disabled*, You might be eligible to receive one or the other of the above, but You cannot receive more than one of these benefits at the same time.

CDI-16AA

What is Your LTD Monthly Benefit and how is it calculated?

Your *LTD Monthly Benefit* will be based on *Your Monthly Earnings* as reported to *Us* by *Your Employer* and for which premium has been paid.

An *LTD Monthly Benefit* will be provided after the end of the *Elimination Period* if *You* are *Disabled* according to the Occupation Qualifier provision.

We will calculate *Your Gross LTD Monthly Benefit* amount as follows:

- 1) Multiply *Your Monthly Earnings* by 66 2/3%.
- 2) The maximum *Gross LTD Monthly Benefit* is \$20,000.
- 3) Compare the answers from Item 1 and Item 2. The lesser of these two amounts is *Your Gross LTD Monthly Benefit*.
- 4) Subtract the Deductible Sources of Income from *Your Gross LTD Monthly Benefit*. The resulting figure is *Your Net LTD Monthly Benefit*.

If a benefit is payable for less than one month, it will be paid on the basis of 1/30th of the *Net LTD Monthly Benefit* for each day of *Disability*.

CDI-17AB

How do We define Earnings?

Base Pay plus bonuses, incentive compensation, variable compensation and overtime. Bonus, incentive compensation, variable compensation and overtime will be the total from the prior calendar (Jan – Dec) year. Base Pay will be as of the date of disability.

CDI-19AA-AGRIBANK

- 4) Retirement and *Disability* benefits paid under a Retirement Plan provided by the Employer except for amounts attributable to *Your* contributions;

Proration of Lump Sum Awards

If any benefit described above is paid in a single sum through compromise settlement or as an advance on future liability, *We* will determine the amount of reduction to *Your Gross LTD Monthly Benefit* as follows:

- 1) *We* will divide the amount paid by the number of months for which the settlement or advance was provided; or
- 2) If the number of months for which the settlement or advance is made is not known, *We* will divide the amount of the settlement or advance by the expected remaining number of months for which *We* will provide benefits for *Your Disability* based on the Proof of *Disability* which *We* have, subject to a maximum of 60 months.

CDI-20AB

What other sources of income are not deductible?

CDI-21AB

Can You work and still receive benefits?

While *Disabled*, *You* may qualify for the Work Incentive Benefit.

CDI-22AA

Work Incentive Benefit

A Work Incentive Benefit will be provided if *You* are *Disabled* and *Gainfully Employed* after the end of the *Elimination Period*, or after a period during which *You* received *LTD Monthly Benefits*.

The Work Incentive Benefit will be calculated during the first 12 months of *Gainful Employment* as follows:

- 1) The *Net LTD Monthly Benefit* amount and *Disability Earnings* amount will be added together and compared to *Monthly Earnings*.
- 2) If the total amount in Item 1 exceeds 100% of *Monthly Earnings*, the Work Incentive Benefit amount will be equal to the *Net LTD Monthly Benefit* reduced by the amount of the excess.
- 3) If the total amount in Item 1 does not exceed 100% of *Monthly Earnings*, the Work Incentive Benefit will be equal to the *Net LTD Monthly Benefit* amount.

After the first 12 months of *Gainful Employment*, the Work Incentive Benefit will be equal to the *Net LTD Monthly Benefit* amount less 50% of *Disability Earnings*.

The Work Incentive Benefit will cease on the earliest of the following:

What happens if Your Disability recurs?

If *Disability* for which benefits were payable ends but recurs due to the same or related causes less than 6 months after the end of a prior *Disability*, it will be considered a resumption of the prior *Disability*. Such recurrent *Disability* shall be subject to the provisions of the Policy that were in effect at the time the prior *Disability* began.

Disability which recurs more than 6 months after the end of a prior *Disability* are subject to:

- 1) a new *Elimination Period*;
- 2) a new *Maximum Period Payable*; and

If *You* are *Disabled* and receiving a *Monthly Benefit*, and are not *Gainfully Employed*, a Supplemental Monthly Pension Accrual Benefit is payable to *Your Employer* on *Your* behalf.

To be eligible for the Supplemental Monthly Pension Accrual Benefit, *You* must

- 1) be an eligible member of Class 2 as defined in the Policy; and
- 2) have been a participant in the Employer's Retirement Savings Plan(s) for at least 12 months prior to your *Date of Disability*.

Payment of the Supplemental Monthly Pension Accrual Benefit is calculated as the lesser of the following:

- 1) **5%** of *Your average Monthly Earnings* as calculated over the last 12 months of employment prior to *Your Date of Disability* (or *Your* period of employment with the Employer if less than 12 months);
- 2) The maximum allowable by law;
- 3) The average monthly contribution made by *Your Employer* to *Your* pension plan over the last 12 months (or *Your* period of employment with the Employer if less than 12 months) of employment prior to *Your Date of Disability*.

If *Your* monthly earnings exceed the Social Security Taxable Wage Base in effect on *Your Date of Disability*, *We* will pay your Employer 5% of your *Monthly Earnings* that exceeds the Social Security Taxable Wage Base, not to exceed the maximum amount allowable by law.

WITH RESPECT TO ALL FORMER 8TH DISTRICT EMPLOYEES IN CLASS 2 , HIRED PRIOR TO JANUARY 1, 1993:

If *You* are *Disabled* and receiving a *Monthly Benefit*, Payment of the Supplemental Monthly Pension Accrual Benefit is calculated as the lesser of the following:

- 1) 5% - 13%* of *Your average Monthly Earnings* as calculated over the last 12 months of employment prior to *Your Date of Disability* (or *Your* period of employment with the Employer if less than 12 months);

- 3) The average monthly contribution made by *Your Employer* to *Your* pension plan over the last 12 months (or *Your* period of employment with the Employer if less than 12 months) of employment prior to *Your Date of Disability*.

**Your Employer* has provided *Us* with a list of each employee's Supplemental Pension Benefit percentage to be kept on file for the purpose of providing this additional benefit.

If *Your* monthly earnings exceed the Social Security Taxable Wage Base in effect on *Your Date of Disability*, *We* will pay your Employer 6.2% of your *Monthly Earnings* that exceeds the Social Security Taxable Wage Base, not to exceed the maximum amount allowable by law.

What is the Supplemental Monthly Pension Accrual Benefit while You are working?

If You are *Disabled* as defined by the Earnings Qualifier and are *Gainfully Employed*, and your monthly *Disability Earnings* are from 20% through 80% of your indexed pre-disability *Monthly Earnings*, the Pension Accrual Benefit will be based on the percentage of income You are losing due to your *Disability*, according to the following steps:

1. Subtract your *Disability Earnings* from *Your Monthly Earnings*;
2. Divide the answer in step 1 by your *Monthly Earnings*. This is your percentage of lost earnings.
3. Multiply your Pension Accrual Benefit by the percentage of lost earnings calculated in Step 2.

This is the amount payable to Your Employer.

Payment of the Supplemental Monthly Pension Accrual Benefit is made directly to *Your Employer* on *Your* behalf. *Your Employer* may deposit such payments into *Your Employer's* sponsored Money Purchase Pension Plan if *Your Employer* determines that such contributions may be accepted by the plan.

We do not act as plan administrator or trustee of *Your Employer's* sponsored Money Purchase Pension Plan, therefore We cannot make the above determination.

If *Your Employer* or the trustee of *Your* plan determines that the benefits payable under this provision cannot legally be accepted by the pension plan, We will, upon written request from *Your Employer*, make the Supplemental Monthly Pension Accrual Benefit payable to *You*. Such payments may constitute taxable income to *You*.

- 2) The date *You* are no longer eligible to participate in *Your Employer's* defined contribution or defined benefit plan;

- 4) The date of *Your* death.

- 2) The monthly average of the sum of:
 - a) 3% of the total fixed contributions made by *Your Employer* to *Your* 401(k) plan each pay period during the last 12 months (or *Your* period of employment with the Employer if less than 12 months) of employment prior to *Your Date of Disability*; and

Payment of the Supplemental Monthly 401(K) Accrual Benefit is made directly to *Your Employer* on *Your* behalf. *Your Employer* may deposit such payments into *Your Employer's* sponsored 401(K) plan if *Your Employer* determines that such contributions may be accepted by the plan.

We do not act as plan administrator or trustee of *Your Employer's* sponsored 401(k) plan, therefore *We* cannot make the above determination.

If *Your Employer* or the trustee of *Your* plan determines that the benefits payable under this provision cannot legally be accepted by the 401(k) plan, *We* will, upon written request from *Your Employer*, make the Supplemental Monthly 401(K) Accrual Benefit payable to *You*. Such payments may constitute taxable income to *You*.

COST-OF-LIVING ADJUSTMENT

What is the Cost-of-Living Adjustment?

If *You* are receiving benefits, *We* will adjust the *Net LTD Monthly Benefit* or the minimum *LTD Monthly Benefit*, whichever applies, to reflect increases in the cost-of-living. Such adjustment shall begin after *You* have been *Disabled* for one year.

The *Net LTD Monthly Benefit* which is payable after 1 year of *Disability* will be adjusted on a compound annual basis. The percentage increase in the *Net LTD Monthly Benefit* payable will be the lesser of:

- 1) the percentage change in the *CPI-W* for the calendar month that falls 90 days prior to the date the annual adjustment is to be made compared to the same calendar month for the previous year; or
- 2) 3%.

Any increase in the *Net LTD Monthly Benefit* by reason of such Cost of Living Adjustment will not be subject to the maximum *LTD Monthly Benefit* stated in the *Schedule of Benefits*.

Increases in the *Net LTD Monthly Benefit* by reason of such Cost-of-Living Adjustment will be made by *Us* while the *Disability* continues until the applicable *Maximum Period Payable* is reached.

When *Disability* benefits cease for any reason, other than when *Disability* ends and recurs due to the same or related causes within 6 months after the end of a prior *Disability*, the *LTD Monthly Benefit* payable for any future *Disability* will be the amount that would have been payable if this Cost-of-Living Adjustment were not in effect.

Adjustments to be made according to this provision will then be available again for a new period of *Disability* that lasts for one year or more.

CPI-W means the Consumer Price Index for all urban wage earners and clerical workers in the United States as published by the Bureau of Labor Statistics of the United States Department of Labor or its successors. If the *CPI-W* is discontinued or changed, We may use another index that most closely reflects the cost of living in the United States.

**NOTICE CONCERNING POLICYHOLDER RIGHTS IN AN
INSOLVENCY UNDER THE MINNESOTA LIFE AND HEALTH
INSURANCE GUARANTY ASSOCIATION LAW**

If the insurer who issued your life, annuity or health insurance policy becomes impaired or insolvent, you are entitled to compensation for your policy from the assets of that insurer. The amount you recover will depend on the financial condition of the insurer.

In addition, residents of Minnesota who purchase life insurance, annuities, or health insurance from insurance companies authorized to do business in Minnesota are protected, SUBJECT TO LIMITS AND EXCLUSIONS, in the event the insurer becomes financially impaired or insolvent. This protection is provided by the Minnesota Life and Health Insurance Guaranty Association.

**Minnesota Life & Health Insurance Guaranty Association
55 Fifth Street East
Suite 750
St. Paul, MN 55101
(651) 222-2799**

The maximum amount the Guaranty Association will pay for all policies issued on one life by the same insurer is limited to \$300,000. Subject to this \$300,000 limit, the Guaranty Association will pay up to \$300,000 in life insurance death benefits, \$100,000 in net cash surrender and net cash withdrawal values for life insurance, \$300,000 in health insurance benefits, including any net cash surrender and net cash withdrawal value, \$100,000 in annuity net cash surrender and net cash withdrawal values, \$300,000 in present value of annuity benefits for annuities which are part of a structured settlement or for annuities in regard to which periodic annuity benefits, for a period of not less than the annuitant's lifetime or for a period certain of not less than ten years, have begun to be paid on or before the date of impairment or insolvency, or if no coverage limit has been specified for a covered policy or benefit, the coverage limit shall be \$300,000 in present value. If total claims exceed \$7,500,000, the \$7,500,000 shall be prorated among all claimants.

These are the maximum claim amounts. Coverage by the guaranty association is also subject to the other substantial limitations and exclusions and requires continued residency in Minnesota. If your claim exceeds the Guaranty Association's limits you may still recover a part or all of the amount from the proceeds of the liquidation of the insolvent insurer, if any exist. Funds to pay claims may not be immediately available. The Guaranty Association assesses insurers licensed to sell life and health insurance in Minnesota after the insolvency occurs. Claims are paid from the assessment.

The coverage provided by the Guaranty Association is not a substitute for using care in selecting insurance companies that are well managed and financially stable. In selecting an insurance company or policy, you should not rely on coverage by the Guaranty Association.
