I. NOTICE

With respect to your medical care benefits, please note that BlueCross and BlueShield of Illinois (“BCBSIL”) has contracts with many health care Providers which permit BCBSIL to receive and keep for its own account, payments, discounts and/or allowances with respect to the bill for services you receive from those Providers. You may refer to the provision entitled “BCBSIL’s Separate Financial Arrangements with Providers” in the GENERAL PROVISIONS section of this Benefit Schedule for a further explanation of these arrangements. BCBSIL provides administrative Claims payment services only and does not assume any financial risk or obligation with respect to Claims.

With respect to your prescription drug benefits, please note that CVS Caremark also has contracts with many retail pharmacies and pharmaceutical companies which permit CVS Caremark to receive certain discounts on the prescription medication that you receive. Pursuant to those contracts, the pharmacies participating in CVS Caremark’s national retail pharmacy network have agreed to fill your prescriptions at specified costs and to process prescription benefit Claims on your behalf.

LIMITED MEDICAL BENEFITS FOR NON-PARTICIPATING PROVIDERS

You should be aware that when you elect to receive Covered Services from a Non-Participating Provider in non-emergency situations, the amount of the benefit payment to such Non-Participating Provider will be a reduced benefit payment than what would have been made if services had been rendered by a Participating Provider. **Non-Participating Providers will be paid for Eligible Charges at a rate of 90% of the Health Insurance Association of America (“HIAA”) index. You can expect to pay the difference between that 90% rate and the actual billed charges.** By way of contrast, Participating Providers have agreed to accept the Maximum Allowance with no additional billing after you have paid your Coinsurance and Deductible amount.

You may obtain further information about the participating status of various Providers and information on out-of-pocket expenses by calling the toll free telephone number on your identification card.

III. DEFINITIONS SECTION

Throughout this Benefit Schedule, many words are used which have a specific meaning when applied to your health care coverage. These terms will always begin with a capital letter. When you come across these terms while reading this Benefit Schedule, please refer to these definitions because they will help you understand some of the limitations or special conditions that may apply to your benefits. If a term within a definition begins with a capital letter, it means that the term is also defined in these definitions. All definitions have been arranged in ALPHABETICAL ORDER.

ADMINISTRATOR PROGRAM.....means programs for which a Hospital has a written agreement with BCBSIL or a BlueCross and BlueShield Plan or BlueCross Plan of another state to provide service to you at the time services are rendered to you. These programs are limited to a Partial Hospitalization Treatment Program or Coordinated Home Care Program.

AMBULANCE TRANSPORTATION.....means local or air transportation in a specially equipped certified vehicle from your home, scene of accident or medical emergency to a Hospital, between Hospital and Hospital, between Hospital and Skilled Nursing Facility or from a Skilled Nursing Facility or Hospital to your home. If there are no facilities in the local area equipped to provide the care needed, Ambulance Transportation then means the transportation to the closest facility that can provide the necessary service.

The ADP will often vary from Claim-to-Claim. The ADP applicable to a particular Claim for Covered Services is the ADP, current on the date the Covered Service is rendered, that is determined by BCBSIL to be relevant to the particular Claim. The ADP reflects BCBSIL’s reasonable estimate of average payments, discounts and/or other allowances that will result from its contracts with Hospitals and other facilities under circumstances similar to those involved in the particular Claim, reduced by an amount not to exceed 15% of such estimate, to reflect related costs. (See provisions of this Benefit Schedule regarding “BCBSIL’s Separate Financial Arrangements with Providers.”) In determining the ADP applicable to a particular Claim, BCBSIL will take into account differences among Hospitals and other facilities, BCBSIL’s contracts with Hospitals and other facilities, the nature of the Covered Services involved and other relevant factors. The ADP shall not apply to Eligible Charges when your benefits under the Medical Plan are secondary to Medicare and/or coverage under any other group program.

IV. ELIGIBILITY SECTION

A. MEDICARE ELIGIBLE COVERED PERSONS

If you meet the definition of an Eligible Person and you are eligible for Medicare and not affected by the “Medicare Secondary Payer” (MSP) laws as described below, the benefits described in the section of this Benefit Schedule entitled “Benefits for Medicare Eligible Covered Persons” will apply to you and, depending on which Coverage Tier you have selected, to your spouse and covered dependent children (if he or she is also eligible for Medicare and not affected by the MSP laws).

A series of federal laws collectively referred to as the “Medicare Secondary Payer” (MSP) laws regulate the manner in which certain employers may offer group health care coverage to Medicare eligible employees, spouses, and in some cases, dependent children.

The statutory requirements and rules for MSP coverage vary depending on the basis for Medicare and employer group health plan (“GHP”) coverage, as well as certain other factors, including the size of the employers sponsoring the GHP. In general, Medicare pays secondary to the following:

1. GHPs that cover individuals with end-stage renal disease (“ESRD”) during the first 30 months of Medicare eligibility or entitlement. This is the case regardless of the number of employees employed by the employer or whether the individual has “current employment status.”
2. In the case of individuals age 65 or over, GHPs of employers that employ 20 or more employees if that individual or the individual’s spouse (of any age) has “current employment status.” If the GHP is a multi-employer or multiple employer plan, which has at least one participating employer that employs 20 or more employees, the MSP rules apply even with respect to employers of fewer than 20 employees (unless the plan elects the small employer exception under the statute).
3. In the case of disabled individuals under age 65, GHPs of employers that employ 100 or more employees, if the individual or a member of the individual’s family has “current employee status.” If the GHP is a multi-employer or multiple employer plan, which has at least one participating employer that employs 100 or more employees, the MSP rules apply even with respect to employers of fewer than 100 employees.

PLEASE NOTE: SEE YOUR EMPLOYER OR PLAN ADMINISTRATOR SHOULD YOU HAVE ANY QUESTIONS REGARDING THE ESRD PRIMARY PERIOD OR OTHER PROVISIONS OF MSP LAWS AND THEIR APPLICATION TO YOU, YOUR SPOUSE OR ANY DEPENDENTS.

B. YOUR MSP RESPONSIBILITIES

In order to assist your Employer in complying with MSP laws, it is very important that you promptly and accurately complete any requests for information from BCBSIL and/or your Employer regarding the Medicare eligibility of you, your spouse and covered Dependent Children. In addition, if you, your spouse or covered Dependent Child becomes eligible for Medicare, or has Medicare eligibility terminated or changed, please contact your Employer or your Plan Administrator promptly to ensure that your Claims are processed in accordance with applicable MSP laws.

C. YOUR ID CARD

You will receive an identification card. This card will tell you your identification number and will be very important to you in obtaining your benefits.

D. COVERAGE TIERS

This Plan has four separate Coverage Tiers. The benefits provided to you and your Dependent(s) depend on which Coverage Tier you have selected. The various Coverage Tiers are as follows:

- If you have **Employee Only Coverage** (also known as **Individual Coverage**), the Plan will pay only your own expenses for Covered Services, and will not pay the expenses of other members of your family.
- If you have **Employee Plus Spouse Coverage**, the Plan will pay for the Covered Services of only you and your spouse, and will not pay the expenses for any other members of your family.
- If you have **Employee Plus Child(ren) Coverage**, the Plan will pay for the Covered Services of only you and your child(ren), and will not pay the expenses for any other members of your family.
- If you have **Family Coverage**, the Plan will pay for the Covered Services of you and your enrolled Dependents.

V. MEDICAL SERVICES ADVISORY PROGRAM

- Inpatient Hospital services
- Skilled Nursing Facility services
- Services received in a Coordinated Home Care Program
- Private Duty Nursing Services

The MSA is staffed primarily by registered nurses and other personnel with clinical backgrounds. The Physicians in our medical department are an essential part of the MSA.

The MSA's toll-free telephone number is on your BlueCross and BlueShield identification card. Please read the provisions below very carefully.

The provisions of the MSA section do not apply to the treatment of Mental Illness and Substance Abuse Rehabilitation Treatment. The provisions for the treatment of Mental Illness and Substance Abuse Rehabilitation Treatment are specified in the MENTAL HEALTH UNIT section of this Benefit Schedule.

A. PREADMISSION REVIEW

- **Inpatient Hospital Preadmission Review**

Preadmission review is not a guarantee of benefits. Actual availability of benefits is subject to eligibility and the other terms, conditions, limitations, and exclusions of the Medical Plan.

Whenever a nonemergency or nonmaternity Inpatient Hospital admission is recommended by your Physician, you must call the MSA. This call must be made at least one business day prior to the Hospital admission.

If the proposed Hospital admission or health care services are not Medically Necessary, it will be referred to BCBSIL's Physician for review. If BCBSIL's Physician concurs that the proposed admission or health care services are not Medically Necessary, some days, services or the entire hospitalization will be denied. The Hospital and your Physician will be advised by telephone of this determination, with a follow-up notification letter sent to you, your Physician and the Hospital. The MSA will issue these notification letters promptly. However, in some instances, these letters will not be received prior to your scheduled date of admission.

- **Emergency Admission Review**

Emergency admission review is not a guarantee of benefits. Actual availability of benefits is subject to eligibility and the other terms, conditions, limitations, and exclusions of the Medical Plan.

In the event of an emergency admission, you or someone who calls on your behalf must, notify the MSA no later than two business days or as soon as reasonably possible after the admission has occurred.

- **Maternity Admission Review**

Maternity admission review is not a guarantee of benefits. Actual availability of benefits is subject to eligibility and the other terms, conditions, limitations, and exclusions of the Medical Plan.

In the event of a maternity admission, you or someone who calls on your behalf must, notify the MSA no later than two business days after the admission has occurred in order to have the Inpatient Hospital admission reviewed.

Even though you are not required to call the MSA prior to your maternity admission, if you call the MSA as soon as you find out you are pregnant, the MSA will begin to monitor your case. When you contact the MSA, you will be asked to answer a series of questions regarding your pregnancy. The MSA will provide you with educational materials which will be informative for you and which you may want to discuss with your Physician. A letter will be sent to your Physician stating that you contacted the MSA. The MSA will monitor your case and will be available should you have questions about your maternity benefits.

- **Skilled Nursing Facility Preadmission Review**

Skilled Nursing Facility preadmission review is not a guarantee of benefits. Actual availability of benefits is subject to eligibility and the other terms, conditions, limitations, and exclusions of the Medical Plan.

Whenever an admission to a Skilled Nursing Facility is recommended by your Physician, you must, call the MSA. This call must be made at least one business day prior to the scheduling of the admission. When you call the MSA, a case manager may be assigned to you for the duration of your care.

- **Coordinated Home Care Program Preadmission Review**

Coordinated Home Care Program preadmission review is not a guarantee of benefits. Actual availability of benefits is subject to eligibility and the other terms, conditions, limitations, and exclusions of the Medical Plan.

Whenever an admission to a Coordinated Home Care Program is recommended by your Physician, you must, call the MSA. This call must be made at least one business day prior to the scheduling of the admission. When you call the MSA, a case manager may be assigned to you for the duration of your care.

- **Private Duty Nursing Service Review**

Private Duty Nursing Service review is not a guarantee of benefits. Actual availability of benefits is subject to eligibility and the other terms, conditions, limitations, and exclusions of this Medical Plan.

Whenever Private Duty Nursing Service is recommended by your Physician, you must, call the MSA. This call must be made at least one business day prior to receiving services. When you call the MSA, a case manager may be assigned to you for the duration of your care.

B. CASE MANAGEMENT

After your case has been evaluated, you may be assigned a case manager. In some cases, if your condition would require care in a Hospital or other health care facility, the case manager may recommend an alternative treatment plan.

Alternative benefits will be provided only so long as BCBSIL determines that the alternative services are Medically Necessary and cost effective. The case manager will continue to monitor your case for the duration of your condition. The total maximum payment for alternative services shall not exceed the total benefits for which you would otherwise be entitled under the Medical Plan.

Provision of alternative benefits in one instance shall not result in an obligation to provide the same or similar benefits in any other instance. In addition, the provision of alternative benefits shall not be construed as a waiver of any of the terms, conditions, limitations, and exclusions of the Medical Plan.

C. LENGTH OF STAY/SERVICE REVIEW

Length of stay/service review is not a guarantee of benefits. Actual availability of benefits is subject to eligibility and the other terms, conditions, limitations, and exclusions of the Medical Plan.

Upon completion of the preadmission or emergency admission review, the MSA will send you a letter confirming that you or your representative called the MSA. A letter assigning a length of service or length of stay will be sent to your Physician and/or the Hospital.

An extension of the length of stay/service will be based solely on whether continued Inpatient care or other health care service is Medically Necessary as determined by the MSA. In the event that the extension is determined not to be Medically Necessary, the length of stay/service will not be extended, and the case will be referred to BCBSIL's Physician for review.

D. MEDICALLY NECESSARY DETERMINATION

The decision that Inpatient care or other health care services or supplies are not Medically Necessary will be determined by the MSA. Should BCBSIL's Physician concur that the Inpatient care or other health care services or supplies are not Medically Necessary, written notification of the decision will be provided to you, your Physician, and/or the Hospital or other Provider, and will specify the dates that are not in benefit. For further details regarding Medically Necessary care and other exclusions from coverage under the Medical Plan, see the section entitled, "EXCLUSIONS – WHAT IS NOT COVERED."

The MSA does not determine your course of treatment or whether you receive particular health care services. The decision regarding the course of treatment and receipt of particular health care services is a matter entirely between you and your Physician. The MSA's determination of Medically Necessary care is limited to merely whether a proposed admission, continued hospitalization or other health care service is Medically Necessary under the Medical Plan.

In the event that BCBSIL determines that all or any portion of an Inpatient hospitalization or other health care service is not Medically Necessary, BCBSIL will not be responsible for any related Hospital or other health care service charge incurred.

Remember that your Medical Plan does not cover the cost of hospitalization or any health care services and supplies that are not Medically Necessary. The fact that your Physician or another health care Provider may prescribe, order, recommend or approve a Hospital stay or other health care service or supply does not of itself make such hospitalization, service or supply Medically Necessary. Even if your Physician prescribes, orders, recommends, approves, or views hospitalization or other health care services or supplies as Medically Necessary, BCBSIL will not pay for the hospitalization, services or supplies if the MSA and BCBSIL's Physician decide they were not Medically Necessary.

E. MSA PROCEDURE

When you contact the MSA, you should be prepared to provide the following information:

1. Will review the medical information provided and may follow up with the Provider;
2. May refer you to a Participating Provider for service; and
3. May determine that the services to be rendered are not Medically Necessary.

F. APPEAL PROCEDURE

If you or your Physician disagree with the determination of the MSA prior to or while receiving services, you may appeal that decision by contacting the MSA or BCBSIL's Medical Director.

In some instances, the resolution of the appeal process will not be completed until your admission or service has occurred and/or your assigned length of stay/service has elapsed. If you disagree with a decision after Claim processing has taken place or upon receipt of the notification letter from the MSA, you may appeal that decision by having your Physician call the contact person indicated in the notification letter or by submitting a written request to:

Medical Director
Health Care Service Corporation
P. O. Box A3957
Chicago, Illinois 60601

You must exercise the right to this appeal as a precondition to taking any action against BCBSIL, either at law or in equity.

Once you have requested this review, you may submit additional information and comments on your Claim to BCBSIL as long as you do so within 30 days of the date you asked for a review. Also, during this 30-day period, you may review any pertinent documents held by BCBSIL, if you request an appointment in writing.

Within 30 days of receiving your request for review, BCBSIL will send you its decision on the Claim. In unusual situations, an additional 15 days may be needed for the review and you will be notified of this during the first 30-day period.

G. FAILURE TO NOTIFY

The final decision regarding your course of treatment is solely your responsibility and the MSA will not interfere with your relationship with any Provider. However, BCBSIL has established the MSA for the specific purpose of assisting you in determining the course of treatment which will maximize your benefits described in this Benefit Schedule.

H. MEDICARE ELIGIBLE MEMBERS

The provisions of this MSA section do not apply to you if you are Medicare Eligible and have secondary coverage provided under the Medical Plan.

Failure to contact the Mental Health Unit or to comply with the determinations of the Mental Health Unit will result in a reduction of benefits. The Mental Health Unit may be reached twenty-four (24) hours a day, seven (7) days a week at the toll-free number 1-800-851-7498. Read the provisions below very carefully.

A. PREADMISSION REVIEW

- **Inpatient Hospital Preadmission Review**

Preadmission review is not a guarantee of benefits. Actual availability of benefits is subject to eligibility and the other terms, conditions, limitations, and exclusions of the Medical Plan.

Whenever a nonemergency Inpatient Hospital admission for the treatment of Mental Illness or Substance Abuse is recommended by your Physician, you must, in order to receive maximum benefits described in this Benefit Schedule, call the Mental Health Unit at the customer service number listed on the back of your ID card. This call must be made at least one day prior to the Hospital admission.

If the proposed Hospital admission does not meet the criteria for Medically Necessary care, it will be referred to a Physician in the Mental Health Unit. If the Mental Health Unit Physician concurs that the proposed admission does not meet the criteria for Medically Necessary care, some days or the entire hospitalization will be denied. Your Physician and the Hospital will be advised by telephone of this determination, with a follow-up notification letter sent to you, your Physician and the Hospital. The Mental Health Unit will issue these notification letters promptly. However, in some instances, these letters will not be received prior to your scheduled date of admission.

- **Emergency Mental Illness Admission Review**

Emergency Mental Illness Admission review is not a guarantee of benefits. Actual availability of benefits is subject to eligibility and the other terms, conditions, limitations, and exclusions of the Medical Plan.

In the event of an Emergency Mental Illness Admission, you or someone who calls on your behalf must, in order to receive maximum benefits under this Benefit Schedule, notify the Mental Health Unit no later than 48 hours or as soon as reasonably possible after the admission has occurred. If the call is made any later than the specified time period, you will not be eligible for maximum benefits.

- **Partial Hospitalization Treatment Program Review**

Partial Hospitalization Treatment Program review is not a guarantee of benefits. Actual availability of benefits is subject to eligibility and the other terms, conditions, limitations, and exclusions of the Medical Plan.

Whenever an admission to a Partial Hospitalization Treatment Program is recommended by your Physician, you must, in order to receive maximum benefits described in this Benefit Schedule, call the Mental Health Unit. This call must be made at least one day prior to the admission.

- **Length of Stay Review**

Length of stay review is not a guarantee of benefits. Actual availability of benefits is subject to eligibility and the other terms, conditions, limitations, and exclusions of the Medical Plan.

Upon completion of the preadmission or emergency admission review, the Mental Health Unit will send you a letter confirming that you or your representative called the Mental Health Unit. A letter assigning a length of service or length of stay will be sent to your Physician and/or the Hospital.

An extension of the length of stay/service will be based solely on whether continued Inpatient care or other health care service is Medically Necessary as determined by the Mental Health Unit. In the event that the extension is determined not to be Medically Necessary, the length of stay/service will not be extended, and the case will be referred to a Mental Health Unit Physician for review.

B. MEDICALLY NECESSARY DETERMINATION

The decision that Inpatient care or other health care services or supplies are not Medically Necessary will be determined by the Mental Health Unit. Should the Mental Health Unit Physician concur that the Inpatient care or other health care services or supplies are not Medically Necessary, written notification of the decision will be provided to you, your Physician, and/or the Hospital or other Provider, and will specify the dates that are not in benefit. For further details regarding Medically Necessary care and other exclusions described in this Benefit Schedule, see the section entitled, "EXCLUSIONS – WHAT IS NOT COVERED."

The Mental Health Unit does not determine your course of treatment or whether you receive particular health care services. The decision regarding the course of treatment and receipt of particular health care services is a matter entirely between you and your Physician. The Mental Health Unit's determination of Medically Necessary care is limited to merely whether a proposed admission, continued hospitalization or other health care service is Medically Necessary under the Medical Plan.

In the event that the Mental Health Unit determines that all or any portion of an Inpatient hospitalization or other health care service is not Medically Necessary, BCBSIL will not be responsible for any related Hospital or other health care service charge incurred.

Remember that your Medical Plan does not cover the cost of hospitalization or any health care services and supplies that are not Medically Necessary. The fact that your Physician or another health care Provider may prescribe, order, recommend or approve a Hospital stay or other health care service or supply does not of itself make such hospitalization, service or supply Medically Necessary. Even if your Physician prescribes, orders, recommends, approves, or views hospitalization or other health care services or supplies as Medically Necessary, BCBSIL will not pay for the hospitalization, services or supplies if the Mental Health Unit Physician decides they were not Medically Necessary.

C. MENTAL HEALTH UNIT PROCEDURE

1. The name of the attending and/or admitting Provider;
2. The name of the Hospital or facility where the admission and/or service has been scheduled;

Once you have requested this review, you may submit additional information and comments on your Claim to BCBSIL as long as you do so within 30 days of the date you asked for a review. Also, during this 30-day period, you may review any pertinent documents held by BCBSIL, if you request an appointment in writing.

Within 30 days of receiving your request for review, BCBSIL will send you its decision on the Claim. In unusual situations, an additional 15 days may be needed for the review and you will be notified of this during the first 30-day period.

E. FAILURE TO NOTIFY

The final decision regarding your course of treatment is solely your responsibility and the Mental Health Unit will not interfere with your relationship with any Provider. However, the Mental Health Unit has been established for the specific purpose of assisting you in maximizing your benefits as described in this Benefit Schedule.

F. INDIVIDUAL BENEFITS MANAGEMENT PROGRAM (“IBMP”)

In addition to the benefits described in this Benefit Schedule, if your condition would otherwise require continued care in a Hospital or other health care facility, provision of alternative benefits for services rendered by a Participating Provider in accordance with an alternative treatment plan may be available to you.

Alternative benefits will be provided only so long as BCBSIL determines that the alternative services are Medically Necessary and cost effective. The total maximum payment for alternative services shall not exceed the total benefits for which you would otherwise be entitled under the Medical Plan.

Provision of alternative benefits in one instance shall not result in an obligation to provide the same or similar benefits in any other instance. In addition, the provision of alternative benefits shall not be construed as a waiver of any of the terms, conditions, limitations or exclusions of the Medical Plan.

G. MEDICARE ELIGIBLE MEMBERS

The provisions of the MENTAL HEALTH UNIT section do not apply to you if you are Medicare Eligible and have secondary coverage provided under the Medical Plan.

VII. THE PARTICIPATING PROVIDER OPTION

Your Employer has chosen the BCBSIL “Participating Provider Option” for the administration of your Hospital and Physician benefits. The Participating Provider Option is a program of health care benefits designed to provide you with economic incentives for using designated Providers of health care services.

A directory of Participating Hospitals is available on the BCBSIL website or by calling the customer service number on the back of your ID card. While there may be changes in the directory from time to time, selection of Participating Hospitals by BCBSIL will continue to be based upon the range of services, geographic location and cost-effectiveness of care. You are urged to check with your Provider before undergoing treatment to make certain of its participation status. Although you can go to the Hospital or Professional Provider of your choice, benefits under the Participating Provider Option will be greater when you use the services of a Participating Provider.

5. Transportation, including but not limited, to Ambulance Transportation.

Notwithstanding the above, there may be clinical situations when short episodes of traditional care would be appropriate even when the patient remains in the hospice setting. While these traditional services are not eligible under this Hospice Care Program section, they may be Covered Services under other sections of this Benefit Schedule.

Benefit payment for Covered Services rendered by a Hospice Care Program Provider will be provided at the same level as described for Inpatient Hospital Covered Services.

XIV. INFERTILITY COVERAGE

Infertility treatment is limited to tests for fertility and procedures for correction of infertility including artificial insemination. No coverage will be provided for in vitro fertilization, GIFT, ZIFT, etc.

XV. BENEFITS FOR MEDICARE ELIGIBLE COVERED PERSONS

This section describes the benefits which will be provided for Medicare Eligible Covered Persons who are not affected by MSP laws, unless otherwise specified in this Benefit Schedule (see provisions entitled “Medicare Eligible Covered Persons” in the ELIGIBILITY SECTION of this Benefit Schedule).

The benefits and provisions described throughout this Benefit Schedule apply to you, however, in determining the benefits to be paid for your Covered Services, consideration is given to the benefits available under Medicare.

The process used in determining benefits under the Medical Plan is as follows:

1. Determine what the payment for a Covered Service would be following the payment provisions of this coverage; and
2. Deduct from this resulting amount the amount paid or payable by Medicare. (If you are eligible for Medicare, the amount that is available from Medicare will be deducted whether or not you have enrolled and/or received payment from Medicare.) The difference, if any, is the amount that will be paid under the Medical Plan.

When you have a Claim, you must send BCBSIL a copy of your Explanation of Medicare Benefits (“EOMB”) in order for your Claim to be processed. In the event you are eligible for Medicare but have not enrolled in Medicare, the amount that would have been available from Medicare, had you enrolled, will be used.

XVI. PRESCRIPTION DRUG EXPENSE BENEFIT

This section of your Benefit Schedule describes your benefits for prescription drug expenses. Your prescription drug benefits are administered by CVS Caremark, Inc.

The benefits of this section are subject to all of the terms and conditions described in this Benefit Schedule. Please refer to the DEFINITIONS, ELIGIBILITY and EXCLUSIONS sections of this Benefit Schedule for additional information regarding any limitations and/or special conditions pertaining to your benefits.

Remember, whenever the term “you” or “your” is used, we also mean all eligible family members who are covered under the particular Coverage Tier that you selected..

RETAIL DRUG EXPENSE

The Retail Drug expense portion of the Medical Plan’s Consumer Choice Option allows you to receive benefits for a short-term supply (up to a 30-day supply) of eligible Prescription Drugs. In addition, a 90-day supply may be purchased at certain Caremark Network Retail Pharmacies.

You must pay 100% of the cost of your eligible Prescription Drugs until you have satisfied your Deductible. Once you have satisfied your Deductible, the Medical Plan will pay 100% of the cost of your eligible Prescription Drugs obtained at a Caremark Network Retail Pharmacy, and 60% of the cost of your eligible Prescription Drugs obtained at a Non-Network Retail Pharmacy. The difference between what the Medical Plan pays and what you must pay for your eligible Prescription Drugs is your Coinsurance.

Caremark Network Retail Pharmacy: You may choose to use any retail Pharmacy you wish. If you use a Network Retail Pharmacy and present your ID card, you will pay the amounts noted above and the Pharmacy will file the claim for you. If you fail to present your ID card, you may be required to pay the full cost of the prescription and file a claim with Caremark for reimbursement of covered expenses within 12 months of purchase. You will then receive the Network Retail Pharmacy reimbursement percentage of the cost of your eligible Prescription Drugs.

Non-Network Retail Pharmacy: As noted above, you are free to use any retail Pharmacy you wish. However, if you decide to use a Non-Network Retail Pharmacy (i.e., a retail Pharmacy that is not part of the Caremark network), you must pay the full cost of the prescription and file a claim with Caremark for reimbursement of covered expenses within 12 months of purchase. You will receive the Non-Network Retail Pharmacy reimbursement percentage of the cost of your eligible Prescription Drugs.

MAIL ORDER DRUG EXPENSE

The Mail Order Drug expense portion of the Medical Plan’s Consumer Choice Option allows you to receive benefits for up to a 90-day supply of eligible Prescription Drugs with refills available for up to one year. Generally, if you use maintenance medication, you are encouraged to use the mail order provision.

As noted above, you must pay 100% of the cost of your eligible Prescription Drugs until you have satisfied your Deductible. Once you have satisfied your Deductible, the Medical Plan will pay 100% of the cost of your eligible Mail Order Drugs that are purchased through the Mail Order Pharmacy.

LIFESTYLE DRUGS

The Medical Plan provides no coverage and will pay no benefits for Lifestyle Drugs. You must pay 100% of the cost for Lifestyle Drugs. If you order Lifestyle Drugs through the Mail Order Pharmacy, you will receive Caremark’s discounted price. However, the cost of the Lifestyle Drugs will not be applied to your Deductible or out-of-pocket expense limit.

XVII. EXCLUSIONS—WHAT IS NOT COVERED

Expenses for the following are not covered under your benefit program:

— **Hospitalization, services and supplies which are not Medically Necessary.**

No benefits will be provided for services which are not, in the reasonable judgment of BCBSIL, Medically Necessary. Medically Necessary means that a specific medical, health care or Hospital service is required, in the reasonable medical judgment of BCBSIL, for the treatment or management of a medical symptom or condition and that the service or care provided is the most efficient and economical service which can safely be provided.

Hospitalization is not Medically Necessary when, in the reasonable medical judgment of BCBSIL, the medical services provided did not require an acute Hospital Inpatient (overnight) setting, but could have been provided in a Physician's office, the Outpatient department of a Hospital or some other setting without adversely affecting the patient's condition.

Examples of hospitalization and other health care services and supplies that are not Medically Necessary include:

- Hospital admissions for or consisting primarily of observation and/or evaluation that could have been provided safely and adequately in some other setting, e.g., a Physician's office or Hospital Outpatient department.
- Hospital admissions primarily for diagnostic studies (x-ray, laboratory and pathological services and machine diagnostic tests) which could have been provided safely and adequately in some other setting, e.g., Hospital Outpatient department or Physician's office.
- Continued Inpatient Hospital care, when the patient's medical symptoms and condition no longer require their continued stay in a Hospital.
- Hospitalization or admission to a Skilled Nursing Facility, nursing home or other facility for the primary purposes of providing Custodial Care Service, convalescent care, rest cures or domiciliary care to the patient.
- Hospitalization or admission to a Skilled Nursing Facility for the convenience of the patient or Physician or because care in the home is not available or is unsuitable.
- The use of skilled or private duty nurses to assist in daily living activities, routine supportive care or to provide services for the convenience of the patient and/or his family members.

These are just some examples, not an exhaustive list, of hospitalizations or other services and supplies that are not Medically Necessary.

BCBSIL will make the decision whether hospitalization or other health care services or supplies were not Medically Necessary and therefore not eligible for payment under the terms of your Medical Plan. In most instances this decision is made by BCBSIL AFTER YOU HAVE BEEN HOSPITALIZED OR HAVE RECEIVED OTHER HEALTH CARE SERVICES OR SUPPLIES AND AFTER A CLAIM FOR PAYMENT HAS BEEN SUBMITTED.

The fact that your Physician may prescribe, order, recommend, approve or view hospitalization or other health care services and supplies as Medically Necessary does not make the hospitalization, services or supplies Medically Necessary and does not mean that BCBSIL will pay the cost of the hospitalization, services or supplies.

If your Claim for benefits is denied on the basis that the services or supplies were not Medically Necessary, and you disagree with BCBSIL's decision, your policy provides for an appeal of that decision. You must exercise your right to this appeal as a precondition to the taking of any further action against BCBSIL, either at law or in equity. To initiate your appeal, you must give BCBSIL written notice of your intention to do so within 180 days after you have been notified that your Claim has been denied by writing to:

Claim Review Section
Health Care Service Corporation
P.O. Box 2401
Chicago, Illinois 60690

You may furnish or submit any additional documentation which you or your Physician believe appropriate.

REMEMBER, EVEN IF YOUR PHYSICIAN PRESCRIBES, ORDERS, RECOMMENDS, APPROVES OR VIEWS HOSPITALIZATION OR OTHER HEALTH CARE SERVICES AND SUPPLIES AS MEDICALLY NECESSARY, BCBSIL WILL NOT PAY FOR THE HOSPITALIZATION, SERVICES AND SUPPLIES IF IT DECIDES THEY WERE NOT MEDICALLY NECESSARY.

XVIII. COORDINATION OF BENEFITS SECTION

Coordination of Benefits (COB) applies when you have health care coverage through more than one group program. The purpose of COB is to insure that you receive all of the coverage to which you are entitled under this Medical Plan. In other words, the total payment from all of your coverages together will never be less than what would have been paid under this Medical Plan if no other group coverages were involved. It is your obligation to notify the applicable Claims Administrator (i.e., BCBSIL or CVS Caremark) of the existence of such other group coverages.

To coordinate benefits, it is necessary to determine what the payment responsibility is for each benefit program. This is done by following these rules:

1. The coverage under which the patient is the Participant (rather than a Dependent) is primary (that is, full benefits are paid under that program). The other coverage is secondary and only pays any remaining Eligible Charges.
2. When a Dependent Child receives services, the birthdays of the Child's parents are used to determine which coverage is primary. The coverage of the parent whose birthday (month and day) comes before the other parent's birthday in the Calendar Year will be considered the primary coverage. If both parents have the same birthday, then the coverage that has been in effect the longest is primary. If the other coverage does not have this "birthday" type of COB provision and, as a result, both coverages would be considered either primary or secondary, then the provisions of the other coverage will determine which coverage is primary.

— However, when the parents are separated or divorced and the parent with custody of the Child has not remarried, the benefits of a contract which covers the Child as a Dependent of the parent with custody of the Child will be determined before the benefits of a contract which covers the Child as a Dependent of the parent without custody;

— When the parents are divorced and the parent with custody of the Child has remarried, the benefits of a contract which covers the Child as a Dependent of the parent with custody shall be determined before the benefits of a contract which covers that Child as a Dependent of the stepparent, and the benefits of a contract which covers that Child as a Dependent of the stepparent will be determined before the benefits of a contract which covers that Child as a Dependent of the parent without custody.

Notwithstanding the items above, if there is a court decree which would otherwise establish financial responsibility for the medical, dental, or other health care expenses with respect to the Child, the benefits of a contract which covers the Child as a Dependent of the parent with such financial responsibility shall be determined before the benefits of any other contract which covers the Child as a Dependent Child. The person claiming benefits has the obligation to notify the applicable Claims Administrator, and, upon request, to provide a copy of such court decree.

3. If neither of the above rules apply, then the coverage that has been in effect the longest is primary.

The only time rules (1) or (2) will not apply is if the other group benefit program does not include a COB provision. In that case, the other group program is automatically primary.

4. In order to prevent duplicate payment of benefits for a Claim, the applicable Claims Administrator uses the following process to determine benefits when it is the secondary payor:

— Determines what the payment for service would be following the payment provisions of this coverage; and

— Deducts from this resulting amount the amount paid by the primary payor. The difference is the amount that will be paid under this coverage.

The applicable Claims Administrator has the right in administering these COB provisions to:

— Pay any other organization an amount which it determines to be warranted if payments which should have been made by the applicable Claims Administrator have been made by such other organization under any other group program.

— Recover any overpayment which the applicable Claims Administrator may have made to you, any Provider, insurance company, person or other organization.

XIX. MISCELLANEOUS PLAN PROVISIONS

A. BCBSIL'S SEPARATE FINANCIAL ARRANGEMENTS WITH PROVIDERS

BCBSIL hereby informs you that it has contracts with certain Providers (“Administrator Providers”) in its service area to provide and pay for health care services to all persons entitled to health care benefits under health policies and contracts to which BCBSIL is a party, including all persons covered under the Medical Plan. Under certain circumstances described in its contracts with Administrator Providers, BCBSIL may:

- Receive substantial payments from Administrator Providers with respect to services rendered to you for which BCBSIL was obligated to pay the Administrator Provider, or
- Pay Administrator Providers substantially less than their Claim Charges for services, by discount or otherwise, or
- Receive from Administrator Providers other substantial allowances under BCBSIL’s contracts with them.

In the case of Hospitals and other facilities, the calculation of any out-of-pocket maximums or any maximum amounts of benefits payable by BCBSIL as described in this Benefit Schedule and the calculation of all required Deductible and Coinsurance amounts payable by you as described in this Benefit Schedule shall be based on the Eligible Charge or Provider’s Claim Charge for Covered Services rendered to you, reduced by the Average Discount Percentage (“ADP”) applicable to your Claim or Claims. Your Employer has been advised that BCBSIL may receive such payments, discounts and/or other allowances during the term of the agreement between your Employer and BCBSIL. Neither the Employer nor you are entitled to receive any portion of any such payments, discounts and/or other allowances in excess of the ADP.

To help you understand how BCBSIL’s separate financial arrangements with Providers work, please consider the following example:

- a. Assume you go into the Hospital for one night and the normal, full amount the Hospital bills for Covered Services is \$1,000. How is the \$1,000 bill paid?
- b. You personally will have to pay the Deductible and Coinsurance amounts set out in your Benefit Schedule.
- c. However, for purposes of calculating your Deductible and Coinsurance amounts, and whether you have reached any out-of-pocket or benefit maximums, the Hospital’s Eligible Charge would be reduced by the ADP applicable to your Claim. In our example, if the applicable ADP were 30%, the \$1,000 Hospital bill would be reduced by 30% to \$700 for purposes of calculating your Deductible and Coinsurance amounts, and whether you have reached any out-of-pocket or benefit maximums.
- d. Assuming you have already satisfied your Deductible, you will still have to pay the Coinsurance portion of the \$1,000 Hospital bill after it has been reduced by the ADP. In our example, if your Coinsurance obligation is 20%, you personally will have to pay 20% of \$700, or \$140. You should note that your 20% Coinsurance is based on the full \$1,000 Hospital bill, after it is reduced by the applicable ADP.
- e. After taking into account the Deductible and Coinsurance amounts, BCBSIL will satisfy its portion of the Hospital bill. In most cases, BCBSIL has a contract with Hospitals that allows it to pay less, and requires the Hospital to accept less, than the amount of money BCBSIL would be required to pay if it did not have a contract with the Hospital.

So, in the example we are using, since the full Hospital bill is \$1,000, your Deductible has already been satisfied, and your Coinsurance is \$140, then BCBSIL has to satisfy the rest of the Hospital bill, or \$860. Assuming BCBSIL has a contract with the Hospital, BCBSIL will usually be able to satisfy the \$860 bill that remains after your Coinsurance and Deductible, by paying less than \$860 to the Hospital, often substantially less than \$860. BCBSIL receives, and keeps for its own account, the difference between the \$860 bill and whatever BCBSIL ultimately pays under its contracts with Administrator Providers, and neither you nor your Employer are entitled to any part of these savings.

Other BlueCross and BlueShields' Separate Financial Arrangements with Providers

BlueCard

BCBSIL hereby informs you that other BlueCross and BlueShield Plans outside of Illinois ("Host Blue") may have contracts similar to the contracts described above with certain Providers ("Host Blue Providers") in their service area.

When you receive health care services through BlueCard outside of Illinois and from a Provider which does not have a contract with BCBSIL, the amount you pay for Covered Services is calculated on the lower of:

- The billed charges for your Covered Services, or
- The negotiated price that the Host Blue passes on to BCBSIL.
 - a. Suppose you receive covered medical services for an illness while you are on vacation outside of Illinois. You show your identification card to the provider to let him or her know that you are covered by BCBSIL.
 - b. The provider has negotiated with the Host Blue a price of \$80, even though the provider's standard charge for this service is \$100. In this example, the provider bills the Host Blue \$100.
 - c. The Host Blue, in turn, forwards the claim to BCBSIL and indicates that the negotiated price for the covered service is \$80. BCBSIL would then base the amount you must pay for the service - the amount applied to your Deductible, if any, and your coinsurance percentage - on the \$80 negotiated price, not the \$100 billed charge.
 - d. So, for example, if your coinsurance is 20%, you would pay \$16 (20% of \$80), not \$20 (20% of \$100). You are not responsible for amounts over the negotiated price for a covered service.

PLEASE NOTE: The coinsurance percentage in the above example is for illustration purposes only. The example assumes that you have met your Deductible and that there are no Copayments associated with the service rendered. Your Deductible(s), Coinsurance and Copayment(s) are specified in this Benefit Schedule.

Often, this "negotiated price" will consist of a simple discount which reflects the actual price paid by the Host Blue. Sometimes, however, it is an estimated price that factors into the actual price increases or reductions to reflect aggregate payment from expected settlements, withholds, any other contingent payment arrangements and non-Claims transactions with your health care provider or with a specified group of providers. The negotiated price may also be billed charges reduced to reflect an average expected savings with your health care provider or with a specified group of providers. The price that reflects average savings may result in greater variation (more or less) from the actual price paid than will the estimated price. The negotiated price will also be adjusted in the future to correct for over- or underestimation of past prices. However, the amount you pay is considered a final price.

Statutes in a small number of states may require the Host Blue to use a basis for calculating your liability for Covered Services that does not reflect the entire savings realized, or expected to be realized, on a particular Claim or to add a surcharge. Should any state statutes mandate your liability calculation methods that differ from the usual BlueCard method noted above or require a surcharge, BCBSIL would then calculate your liability for any covered health care services in accordance with the applicable state statute in effect at the time you received your care.

Servicing Plans

In some instances, BCBSIL has entered into agreements with other BlueCross and BlueShield Plans ("Servicing Plans") to provide, on BCBSIL's behalf, Claim Payments and certain administrative services for you. Under these agreements, BCBSIL will reimburse each Servicing Plan for all Claim Payments made on BCBSIL's behalf for you.

Certain Servicing Plans may have contracts similar to the contracts described above with certain Providers ("Servicing Plan Providers") in their service area. The Servicing Plan will process your Claim in accordance with the Servicing Plan's applicable contract with the Servicing Plan Provider. Further, all amounts payable to the Servicing Plan by BCBSIL for Claim Payments made by the Servicing Plan and applicable service charges, and all benefit maximum amounts and any required Deductible and Coinsurance amounts under this Medical Plan will be calculated on the basis of the Servicing Plan Provider's Eligible Charge for Covered Services rendered to you or the cost agreed upon between the

Servicing Plan and BCBSIL for Covered Services that the Servicing Plan passes to BCBSIL, whichever is lower.

Often, the agreed upon cost is a simple discount. Sometimes, however, the agreed upon cost may represent either an estimated discount or an average discount received or expected by the Servicing Plan based on separate financial arrangements with Servicing Plan Providers.

In other instances, laws in a small number of states dictate the basis upon which the Coinsurance is calculated. When Covered Services are rendered in those states, the Coinsurance amount will be calculated using the state's statutory method.

B. SUBMISSION OF CLAIMS, PAYMENT OF CLAIMS AND ASSIGNMENT OF BENEFITS

1. All Claims for benefits under this Medical Plan must be submitted to BCBSIL within 12 months of the date of the date the medical service was provided for which you are seeking benefits. The Claims procedures under this Medical Plan are set forth in detail in the Wrap-Around Plan Document.
2. Under this Medical Plan, BCBSIL has the right to make any benefit payment either to you or directly to the Provider of the Covered Services. For example, BCBSIL may pay benefits to you if you receive Covered Services from a Non-Administrator Provider. BCBSIL is specifically authorized by you to determine to whom any benefit payment should be made.
3. Once Covered Services are rendered by a Provider, you have no right to request BCBSIL not to pay the Claim submitted by such Provider and no such request will be given effect. In addition, BCBSIL will have no liability to you or any other person because of its rejection of such request.
4. A Covered Person's Claim for benefits under this Medical Plan is expressly non-assignable and non-transferable in whole or in part to any person or entity, including any Provider, at any time before or after Covered Services are rendered to a Covered Person. Coverage under this Medical Plan is expressly non-assignable and non-transferable and will be forfeited if you attempt to assign or transfer coverage or aid or attempt to aid any other person in fraudulently obtaining coverage. Any such assignment or transfer of a Claim for benefits or coverage shall be null and void.

C. YOUR PROVIDER RELATIONSHIPS

1. The choice of a Provider is solely your choice and BCBSIL will not interfere with your relationship with any Provider.
2. BCBSIL does not itself undertake to furnish health care services, but solely to make payments to Providers for the Covered Services received by you. BCBSIL is not in any event liable for any act or omission of any Provider or the agent or employee of such Provider, including, but not limited to, the failure or refusal to render services to you. Professional services which can only be legally performed by a Provider are not provided by BCBSIL. Any contractual relationship between a Physician and an Administrator Provider shall not be construed to mean that BCBSIL is providing professional service.
3. The use of an adjective such as Participating, Administrator or approved in modifying a Provider shall in no way be construed as a recommendation, referral or any other statement as to the ability or quality of such Provider. In addition, the omission, non-use or non-designation of Participating, Administrator, approved or any similar modifier or the use of a term such as Non-Administrator or Non-Participating should not be construed as carrying any statement or inference, negative or positive, as to the skill or quality of such Provider.
4. Each Provider provides Covered Services only to you and does not deal with or provide any services to your Employer (other than as an individual Covered Person) or your Employer's Health Benefit Program.

D. NOTICES

Any information or notice which you furnish to BCBSIL under the Medical Plan as described in this Benefit Schedule must be in writing and sent to BCBSIL at its offices at 300 East Randolph, Chicago, Illinois 60601 (unless another address has been stated in this Benefit Schedule for a specific situation). Any information or notice which BCBSIL furnishes to you must be in writing and sent to you at your address as it appears on BCBSIL's records or in care of your Employer and if applicable, in the case of a Qualified Medical Child Support Order, to the designated representative as it appears on BCBSIL's records.

E. INFORMATION AND RECORDS

You agree that it is your responsibility to insure that any Provider, other BlueCross and BlueShield Plan, insurance company, employee benefit association, government body or program, any other person or entity, having knowledge of or records relating to (a) any illness or injury for which a Claim or Claims for benefits are made under the Medical Plan, (b) any medical history which might be pertinent to such illness, injury, Claim or Claims, or (c) any benefits or indemnity on account of such illness or injury or on account of any previous illness or injury which may be pertinent to such Claim or Claims, furnish to BCBSIL or its agent, and agree that any such Provider, person or other entity may furnish to BCBSIL or its agent, at any time upon its request, any and all information and records (including copies of records) relating to such illness, injury, Claim or Claims. In addition, BCBSIL may furnish similar information and records (or copies of records) to Providers, BlueCross and BlueShield Plans, insurance companies, governmental bodies or programs or other entities providing insurance-type benefits requesting the same. It is also your responsibility to furnish BCBSIL and/or your Employer or Plan Administrator information regarding your or your Dependents becoming eligible for Medicare, termination of Medicare eligibility or any changes in Medicare eligibility status in order that BCBSIL be able to make Claim Payments in accordance with MSP laws.

XX. REIMBURSEMENT PROVISION

If you or one of your covered Dependents incur expenses for sickness or injury that occurred due to negligence of a third party and benefits are provided for Covered Services described in this Benefit Schedule, you agree:

1. BCBSIL has the rights to reimbursement for all benefits BCBSIL provided from any and all damages collected from the third party for those same expenses whether by action at law, settlement, or compromise, by you or your legal representative as a result of sickness or injury, in the amount of the total Eligible Charge or Provider's Claim Charge for Covered Services for which BCBSIL has provided benefits to you, reduced by any Average Discount Percentage ("ADP") applicable to your Claim or Claims.
2. BCBSIL is assigned the right to recover from the third party, or his or her insurer, to the extent of the benefits BCBSIL provided for that sickness or injury.

BCBSIL shall have the right to first reimbursement out of all funds you, your covered Dependents or your legal representative, are or were able to obtain for the same expenses for which BCBSIL has provided benefits as a result of that sickness or injury.

You are required to furnish any information or assistance or provide any documents that BCBSIL may reasonably require in order to obtain our rights under this provision. This provision applies whether or not the third party admits liability. (See provisions of this Benefit Schedule regarding "BCBSIL's Separate Financial Arrangements with Providers.")
