APPENDIX C
BUSINESS TRAVEL ACCIDENT PLAN

Section C1.01 Insurance Benefits. The Business Travel Accident Plan provides Eligible Employees additional security in the event of death or disability while away from home on business for the Employer. Business Travel Accident benefits under this Business Travel Accident Plan are identical to those described in, and shall be paid pursuant to the terms of, the group contract (“MetLife Group Contract”) between Metropolitan Life Insurance Company (“MetLife”) and the Employer (Group No. 140026-BTA). The provisions of that group contract, as it may be amended from time to time, are incorporated herein by reference, solely as a description of the benefits provided by MetLife. The Employer makes no promise and shall have no obligation to provide or pay such benefits from its own assets. For example, in the event of MetLife’s insolvency, the Participant shall bear fully any and all risk of such insolvency. The rights and conditions with respect to the benefits payable under this Business Travel Accident Plan shall be determined from the MetLife Group Contract.

Section C1.02 Cost of Coverage. The Employer will pay 100% of the monthly premium cost for the insurance coverage provided by the Business Travel Accident Plan.

NOTICE FOR RESIDENTS OF UTAH

Notice of Protection Provided by
Utah Life and Health Insurance Guaranty Association

This notice provides a brief summary of the Utah Life and Health Insurance Guaranty Association ("the Association") and the protection it provides for policyholders. This safety net was created under Utah law, which determines who and what is covered and the amounts of coverage.

The Association was established to provide protection in the unlikely event that your life, health, or annuity insurance company becomes financially unable to meet its obligations and is taken over by its insurance regulatory agency. If this should happen, the Association will typically arrange to continue coverage and pay claims, in accordance with Utah law, with funding from assessments paid by other insurance companies.

The basic protections provided by the Association are:

- **Life Insurance**
  - $500,000 in death benefits
  - $200,000 in cash surrender or withdrawal values

- **Health Insurance**
  - $500,000 in hospital, medical and surgical insurance benefits
  - $500,000 in long-term care insurance benefits
  - $500,000 in disability income insurance benefits
  - $500,000 in other types of health insurance benefits

- **Annuities**
  - $250,000 in withdrawal and cash values

The maximum amount of protection for each individual, regardless of the number of policies or contracts, is $500,000. Special rules may apply with regard to hospital, medical and surgical insurance benefits.

**Note:** Certain policies and contracts may not be covered or fully covered. For example, coverage does not extend to any portion of a policy or contract that the insurer does not guarantee, such as certain investment additions to the account value of a variable life insurance policy or a variable annuity contract. Coverage is conditioned on residency in this state and there are substantial limitations and exclusions. For a complete description of coverage, consult Utah Code, Title 31A, Chapter 28.

Insurance companies and agents are prohibited by Utah law to use the existence of the Association or its coverage to encourage you to purchase insurance. When selecting an insurance company, you should not rely on Association coverage. If there is any inconsistency between Utah law and this notice, Utah law will control.

To learn more about the above protections, as well as protections relating to group contracts or retirement plans, please visit the Association's website at www.utlifega.org or contact:

CIVIL UNION NOTICE FOR RESIDENTS OF VERMONT

Vermont law provides that the following definitions apply to Your certificate:

1. Terms that mean or refer to a marital relationship, or that may be construed to mean or refer to a marital relationship, such as "marriage," "spouse," "husband," "wife," "dependent," "next of kin," "relative," "beneficiary," "survivor," "immediate family" and any other such terms include the relationship created by a Civil Union established according to Vermont law.

2. Terms that mean or refer to the inception or dissolution of a marriage, such as "date of marriage," "divorce decree," "termination of marriage" and any other such terms include the inception or dissolution of a Civil Union established according to Vermont law.

3. Terms that mean or refer to family relationships arising from a marriage, such as "family," "immediate family," "dependent," "children," "next of kin," "relative," "beneficiary," "survivor" and any other such terms include family relationships created by a Civil Union established according to Vermont law.

4. "Dependent" includes a spouse, a party to a Civil Union established according to Vermont law, and a child or children (natural, stepchild, legally adopted or a minor or disabled child who is dependent on the insured for support and maintenance) who is born to or brought to a marriage or to a Civil Union established according to Vermont law.

5. "Child" includes a child (natural, stepchild, legally adopted or a minor or disabled child who is dependent on the insured for support and maintenance) who is born to or brought to a marriage or to a Civil Union established according to Vermont law.

6. "Civil Union" means a civil union established pursuant to Act 91 of the 2000 Vermont Legislative Session, entitled "Act Relating to Civil Unions".

All references in this notice to Civil Unions are limited to Civil Unions in which the parties are residents of Vermont.

If dependent insurance for a spouse and/or child is not provided under Your certificate, such insurance is not added by virtue of this notice.

For purposes of dependent insurance, any person who meets the definition of "dependent" as set forth in this notice is required to meet all other applicable requirements in order to qualify for such insurance.

This notice does not limit any definitions or terms included in Your certificate. It broadens definitions and terms only to the extent required by Vermont law.

DISCLOSURE:

Vermont law grants parties to a Civil Union the same benefits, protections and responsibilities that flow from marriage under state law. However, some or all of the benefits, protections and responsibilities related to life and health insurance that are available to married persons under federal law may not be available to parties to a Civil Union. For example, a federal law, the Employee Retirement Income Security Act of 1974 known as "ERISA", controls the employer/employee relationship with regard to determining eligibility for enrollment in private employer benefit plans. Because of ERISA, Act 91 does not state requirements pertaining to a private employer’s enrollment of a party to a Civil Union in an ERISA employee benefit plan. However, governmental employers (not federal government) are required to provide life and health benefits to the dependents of a party to a Civil Union if the public employer provides such benefits to dependents of married persons. Federal law also controls group health insurance continuation rights under "COBRA" for employers with 20 or more employees as well as the Internal Revenue Code treatment of insurance premiums. As a result, parties to a Civil Union and their families may or may not have access to certain benefits under this notice and the certificate to which it is attached that derive from federal law. You are advised to seek expert advice to determine Your rights under this notice and the certificate to which it is attached.
